ABOUT ME

I am a skilled web developer with expertise in PHP, JavaScript, HTML, CSS and AJAX, alongside frameworks such as Laravel, Vue.js, and Bootstrap. With a strong foundation in MySQL and experience in object-oriented programming (OOP) and MVC architecture, I build scalable, efficient applications. Proficient in Git, GitHub, and API integration, I ensure smooth development and effective collaboration. My strengths include problem-solving, analytical thinking, and clear communication to deliver user-focused solutions.
